

The logo features the text "FlashAlarm" in a bold, orange, sans-serif font. The text is centered within a white rectangular area that has rounded corners. This white area is set against a dark gray background. On the left side of the white area, there is a black, stylized graphic element that resembles a hand or a pointer, with its index finger pointing towards the text.

FlashAlarm

Never
oversleep
again!

Customize your alarm with
what gets you out of bed

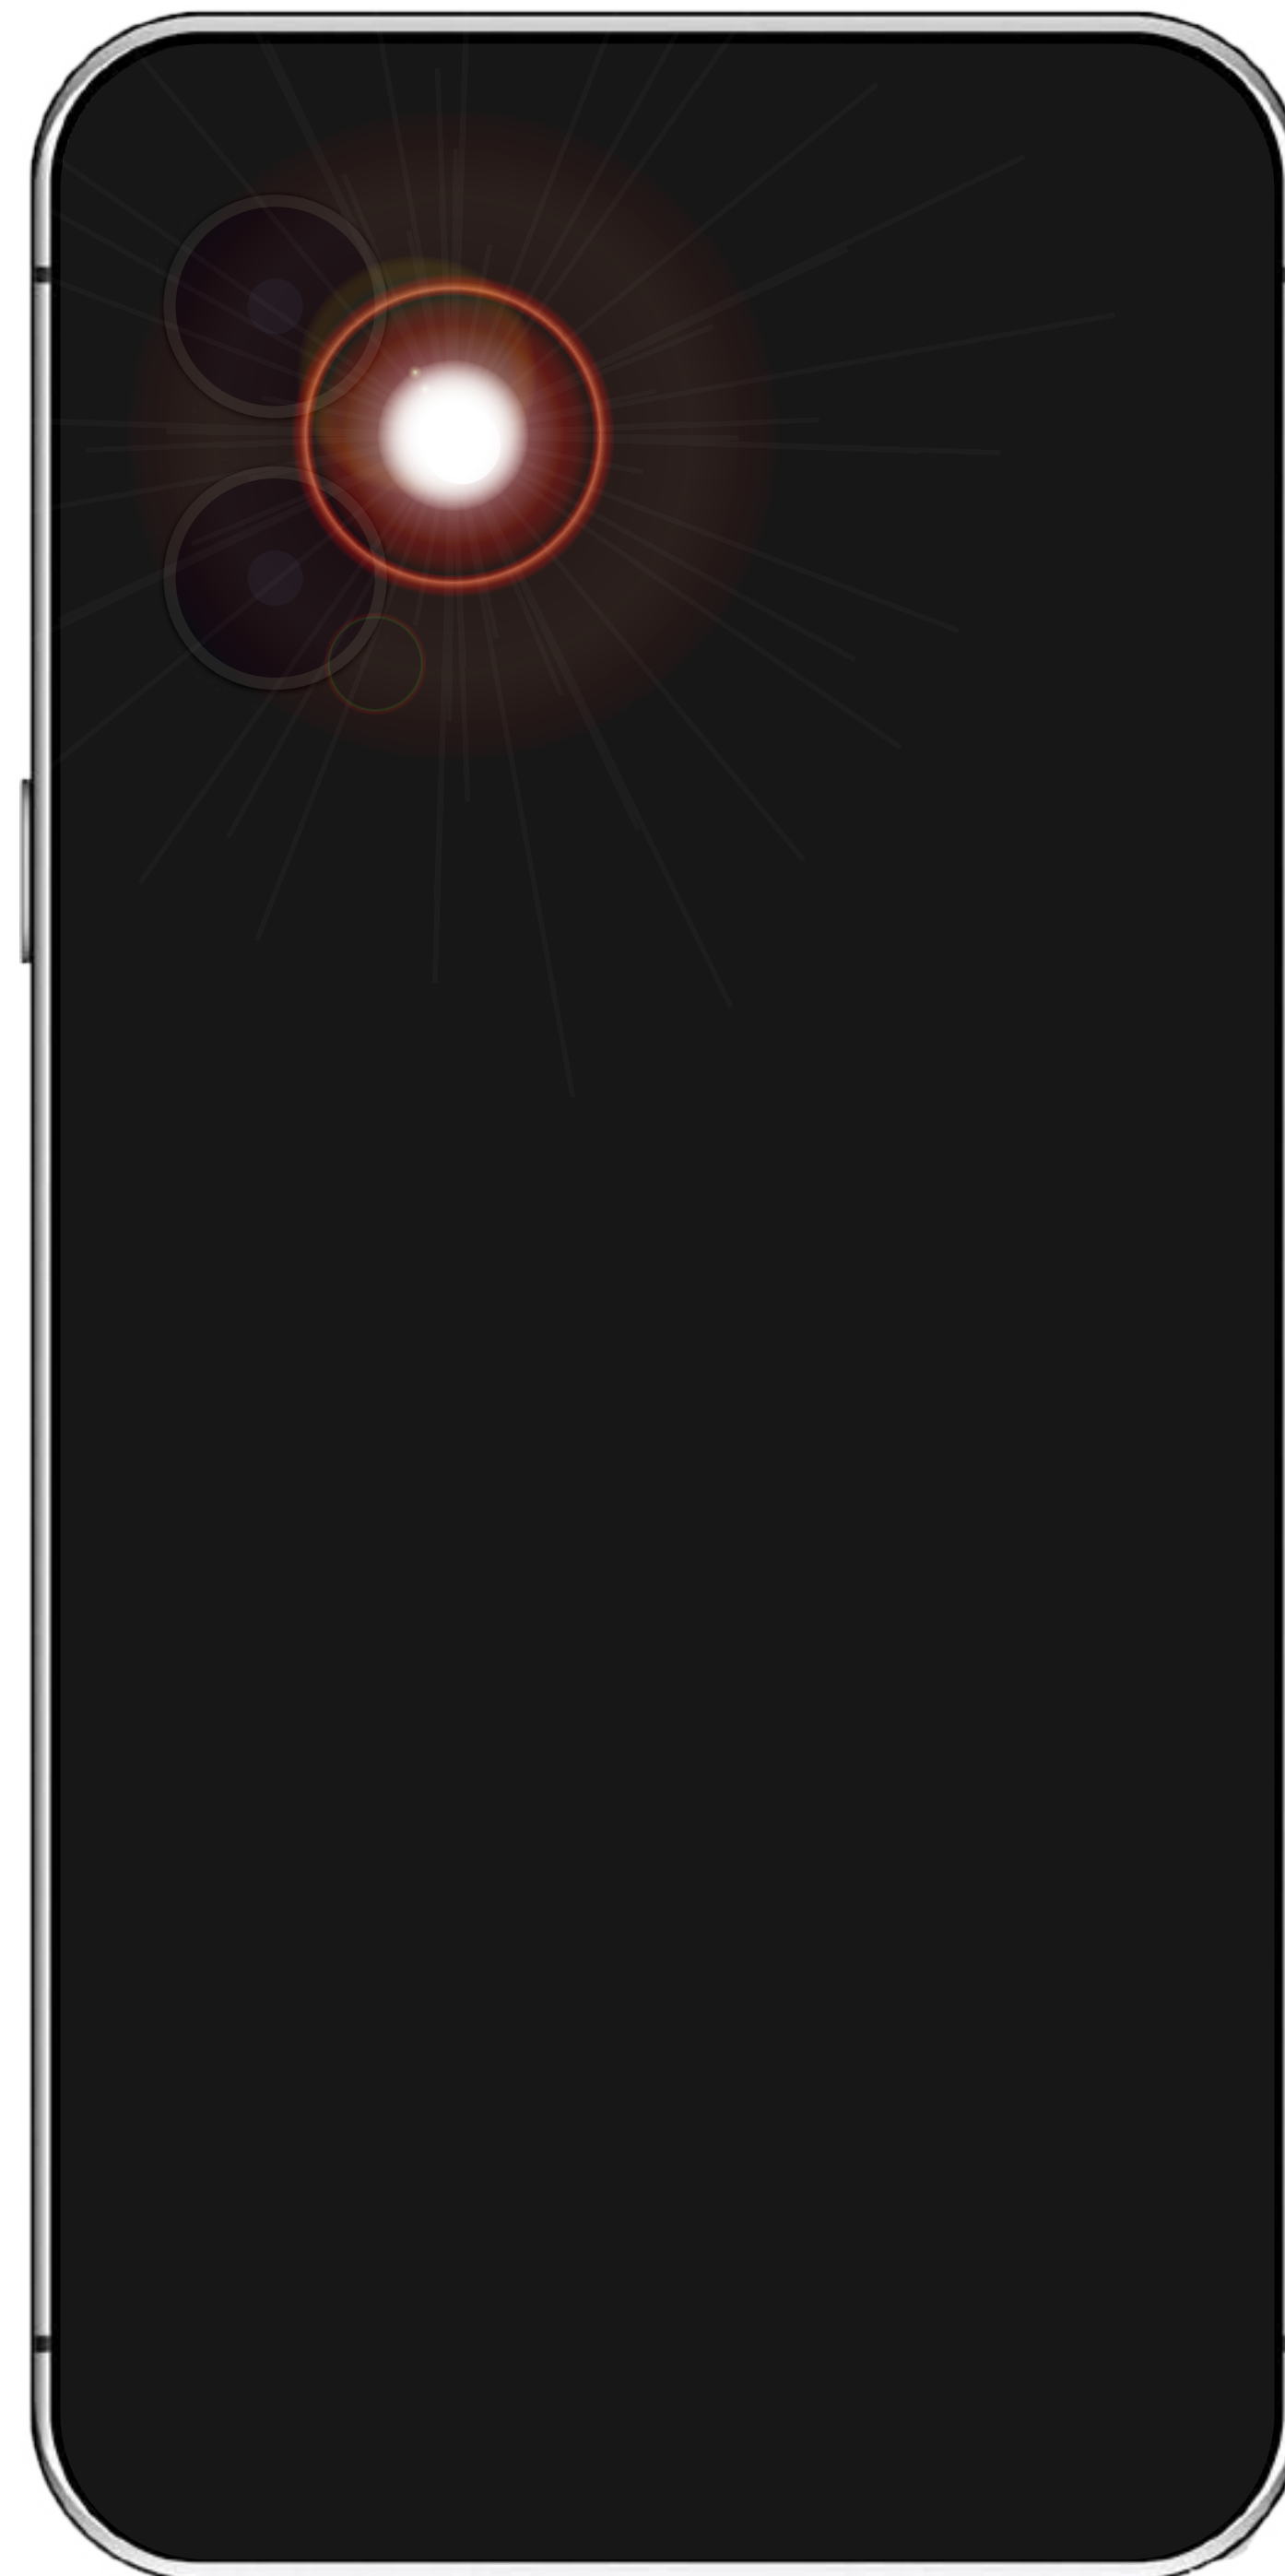

HOW IT WORKS

Add your alarm
and customize
your settings

Flashlight

When alarm goes off,
the flashlight starts
strobing and the front
screen turns bright
white to wake the eyes

Shake to Snooze

Shake to phone to snooze the alarm for 10 minutes

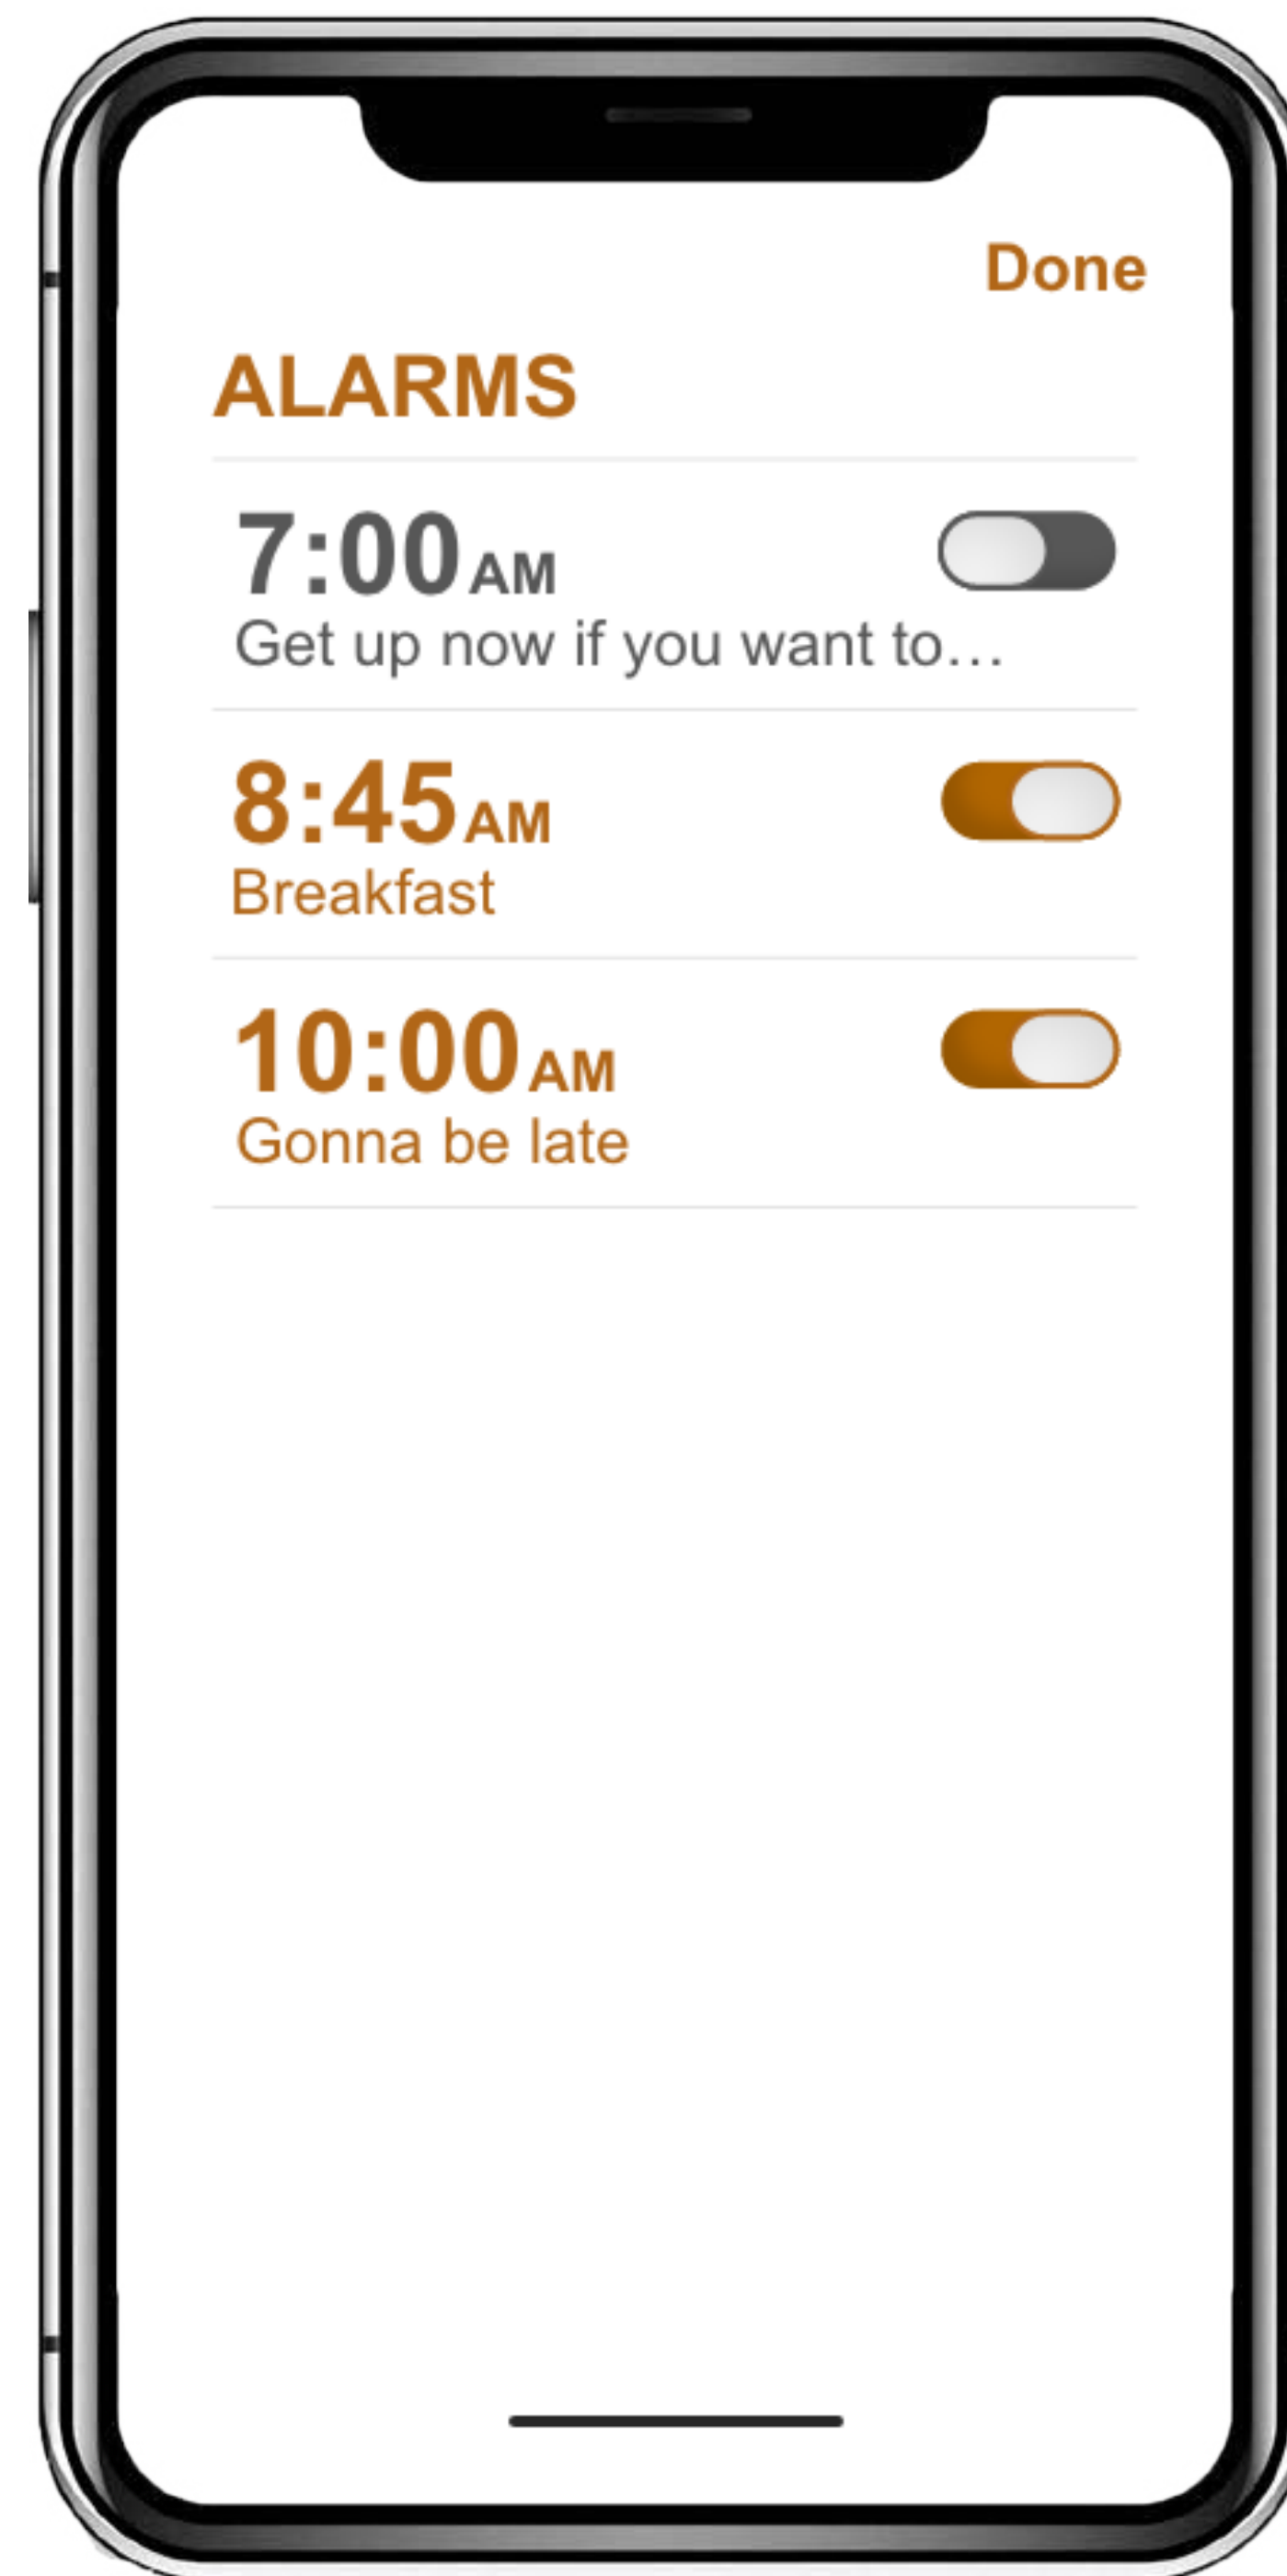

Gentle Wake

Sound starts quietly and slowly gets louder the longer the alarm stays on

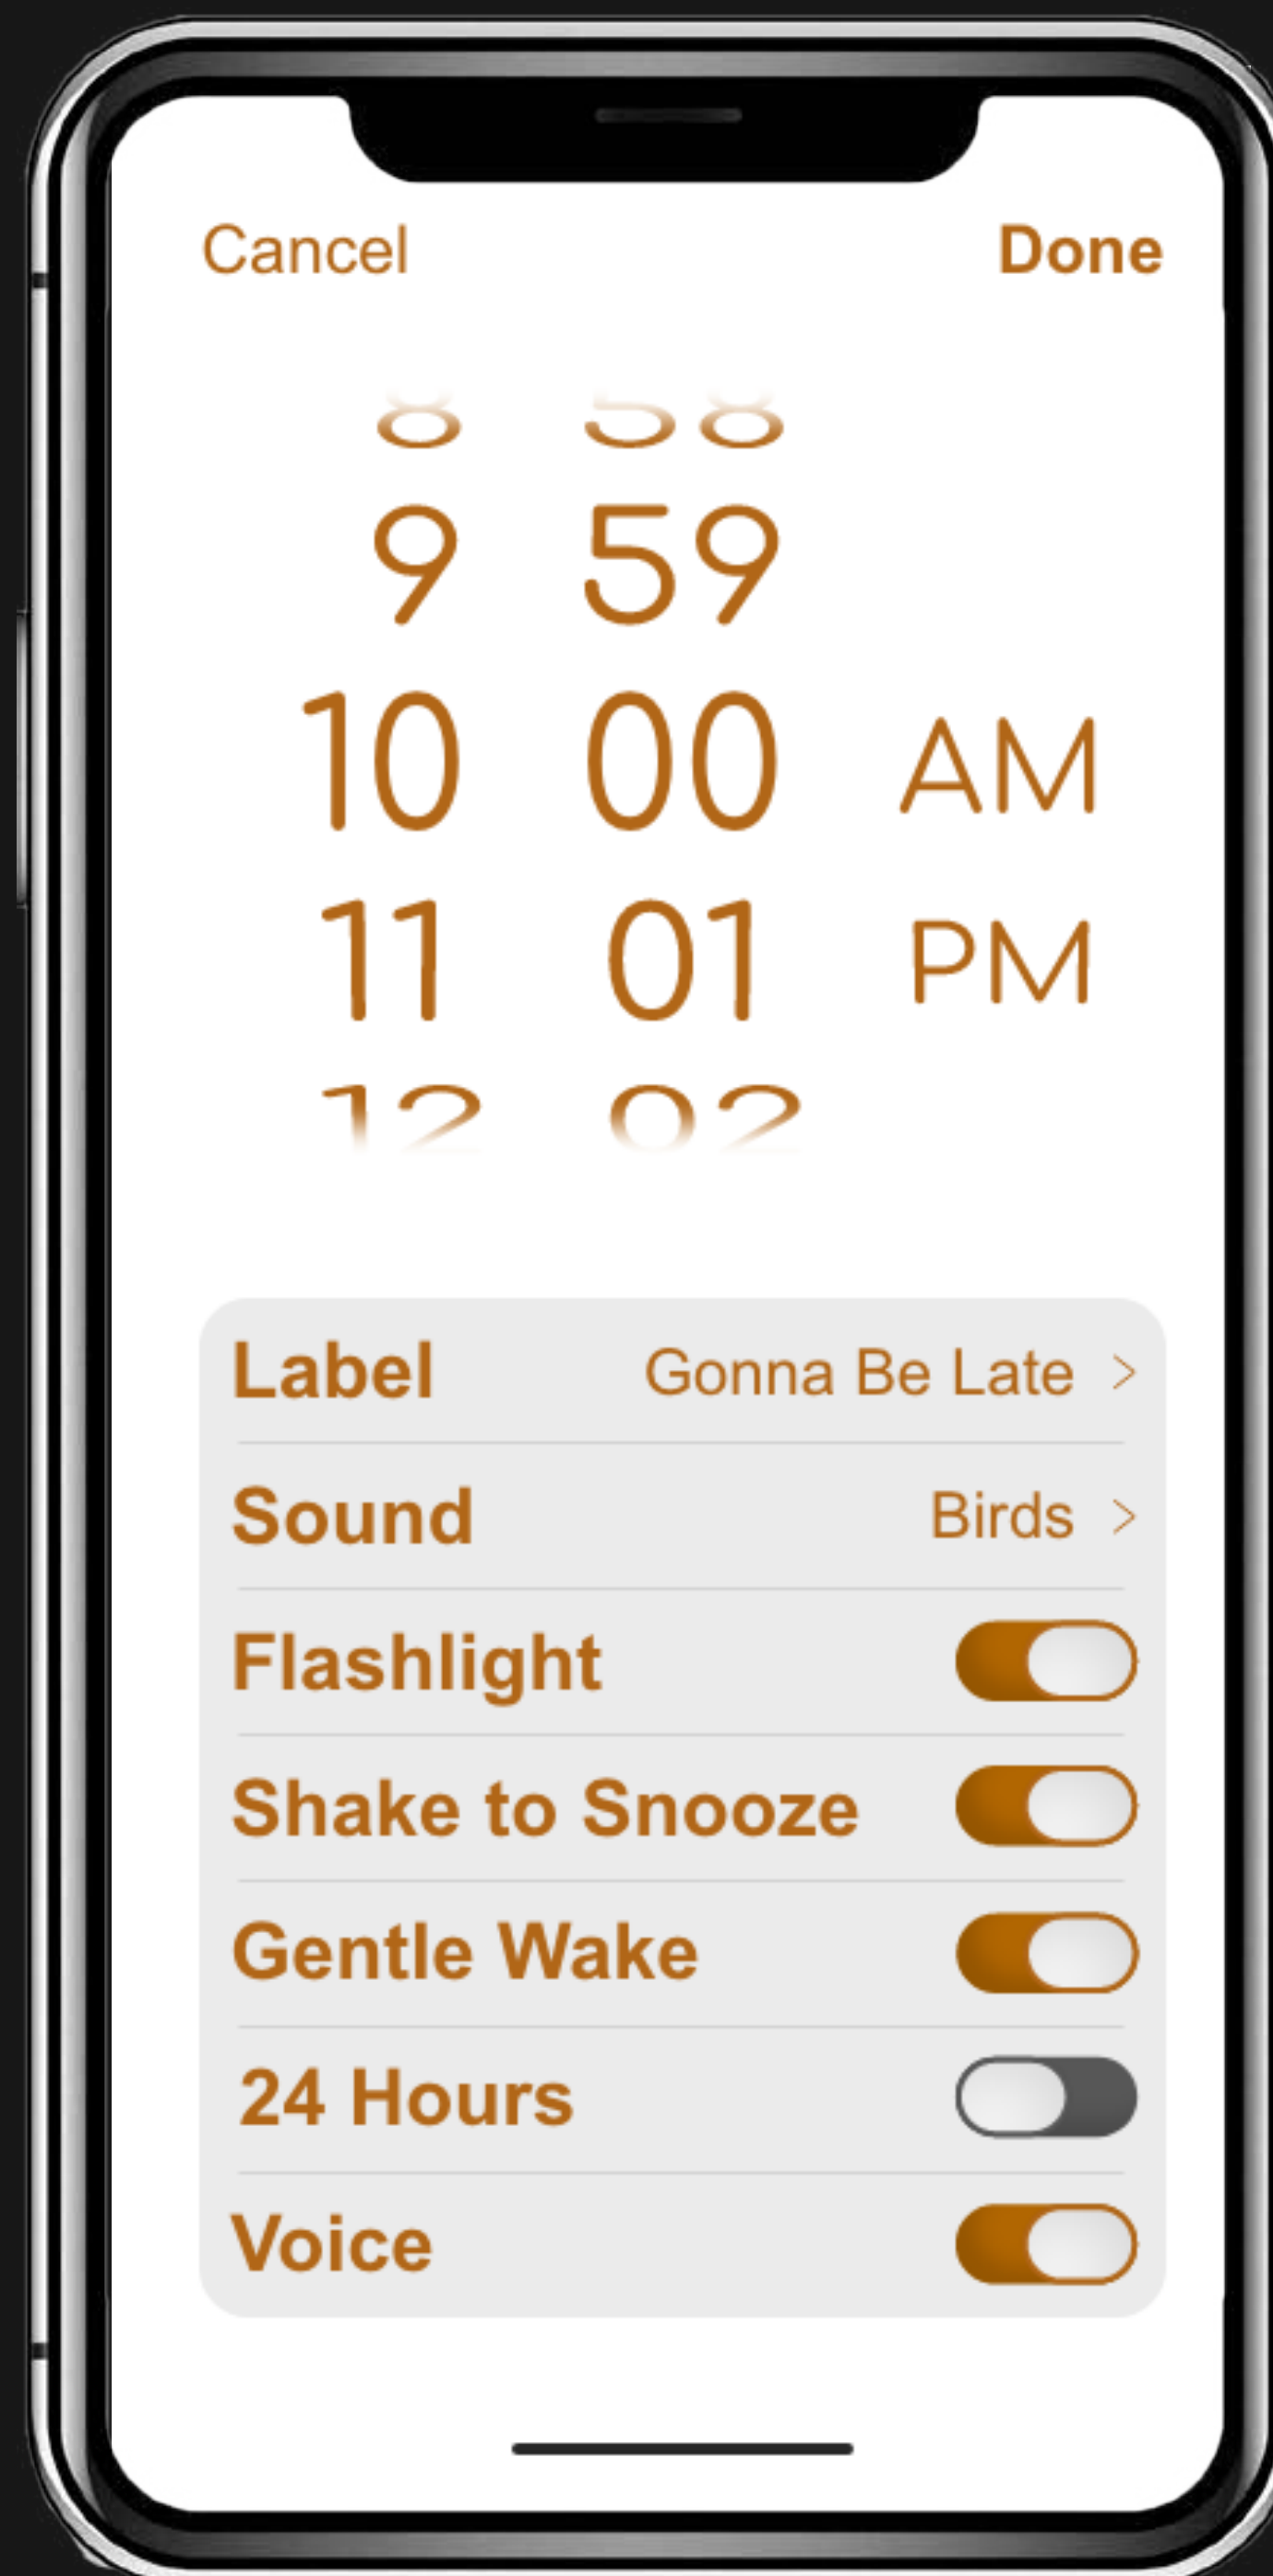

Voice

Motivate yourself to get out of bed by hearing why you need to get up (or whatever you choose to say)

WHY FLASH ALARM?

Entirely
customizable for
how aggressive
you need to be
woken up

WHY FLASH ALARM?

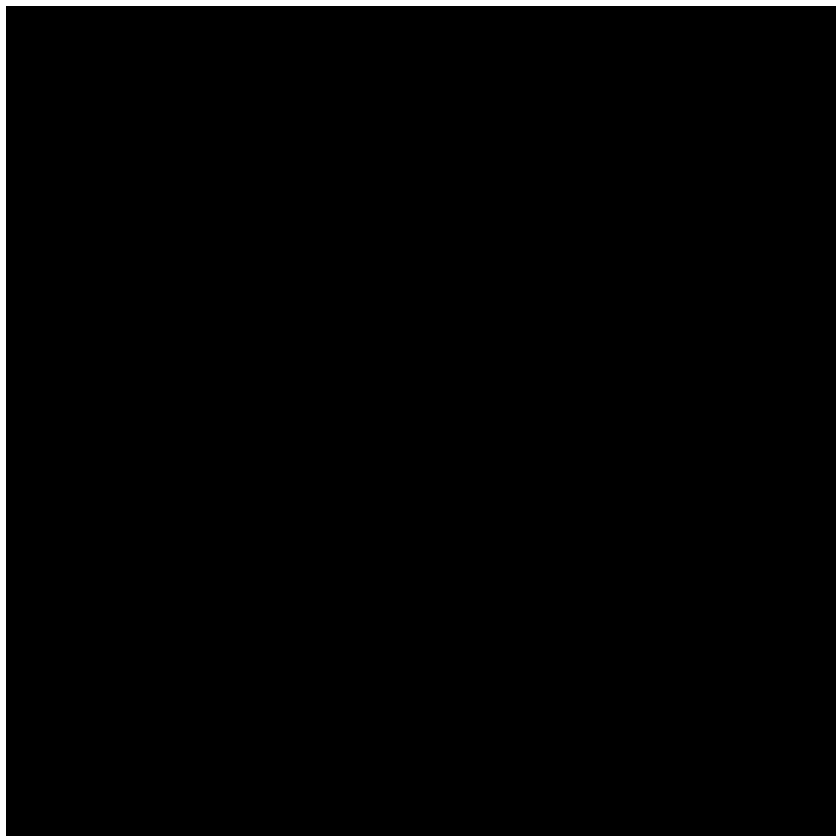

All alarms stay on until manually turned off so you'll never forget to set them

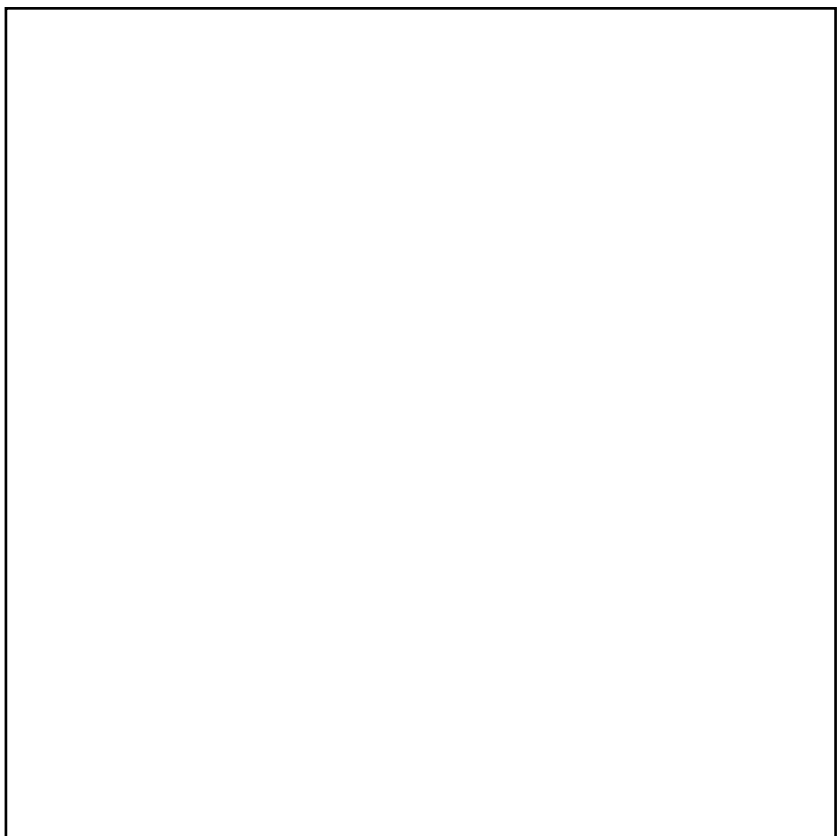

Easily turn off all alarms to sleep in on the weekends
